- Describe how procurement by competitive means is either not practicable or not advantageous to the State: The Department of Health has an existing competitive103F, HRS contract with the Waianae District Comprehensive Health and Hospital Board, Inc., dba Waianae Coast Comprehensive Health Center for emergency room services, therefore it would neither be practical or advantageous for the STATE to contract with any other provider. The \$332,000 appropriated under Section 12 of Act 191/SLH 2010 represents the shortfall required by the organization for its 24-hour emergency room services. A total of \$132,000 had been previously restricted in FY 2009 due to the state of the economy. Services were initially procured via RPF No. HTH 595-07-02 dated September 1, 2006 with the probable funding amount set at \$1,600,000. The existing contract amount for FY 2011 is \$1,468,000, and the additional \$332,000 will increase the contract amount to \$1,800,000.
- 7. Describe the reason for the selection of the provider including a description of how the procedure ensured the maximum fair and open competition practicable:

Services were procured via RFP No. HTH 595-07-02 dated September 1, 2006 and the Waianae District Comprehensive Health and Hospital Board, Inc., dba Waianae Coast Comprehensive Health Center was the only organization which submitted a proposal.
